at maps.Preschool Feelings Theme . A Preschool Feelings Theme can help children identify and name their
emotions. Throughout each day, children experience a wide range of feelings. Sometimes they experience them
from hour to hour or sometimes from minute to minute! You can use this theme to teach the children how to
react to their emotions as well.The lesson plan is a set of ideas you hope to include throughout the week but the
infant's schedule (sleeping, feeding, diaper changing) will always dictate how much time and when you will be
able to present the ideas you have prepared in your lesson plan.
